I'm friendly, approachable, and I have experience across a variety of design disciplines and creative forms. I'm eager to discuss the details of the project you need, no matter how specific the solution!

Falling Into Place

Played by dropping and arranging endless scores of tetrominoes (a family of geometric blocks) onto a platform, Tetris adheres tightly to its popularity. Since its inception in 1984 by Russian computer engineer Alexey Pajitnov for the Electronika 60 mainframe computer, this game has seen hundreds of official incarnations across an impressive range of devices, making it one of the most

foam dart combat.*

The image consists of several geometric shapes. A large, solid teal rectangle covers the left side and the bottom. A white diagonal stripe pattern runs from the top center towards the bottom right. A large, solid purple triangle is located in the upper right quadrant, partially overlapping the stripes. In the bottom left corner, there is a smaller, semi-transparent shape composed of green and yellow diagonal stripes.

The background features a dynamic, abstract design composed of several overlapping horizontal bands of different colors: blue at the top, followed by green, red, yellow, and grey at the bottom. Each band has a subtle texture of fine diagonal stripes. The bands overlap in a way that suggests depth, with the blue and green bands appearing higher up than the red and yellow ones, which are in turn above the grey band.

**Elite "Suction"
Buzzbee "Precise-Pro"**

Darts with a slight accuracy increase and usually slightly poorer velocity. Perfect for high-powered rifles of any sort.

City development over time.

Development of Niagara Falls

Niagara Falls, New York • 2020 • Notable Landmarks

The map illustrates the development of Niagara Falls, spanning from the 1830s to the early 2000s. It features a grid of roads, including Main St., Military Rd., Lockport Rd., and Saunders Chromelton Rd. Key landmarks include:

- 1. Niagara Falls State Park**: American Falls, Bridal Veil Falls, Goat Island
- 2. Rainbow International Arch Bridge**, 1941
- 3. Whirlpool Rapids Arch Bridge**, 1897
- 4. Hyde Park**: Sal Maglie Stadium, Ice Rink, Hyde Park Lake
- 5. Whirlpool State Park & De Veaux Woods State Park**
- 6. Devil's Hole State Park**
- 7. Niagara University**, 1956
- 8. Robert Moses Power Authority**: Power Plant and Canal, 1874
- 9. Reservoir State Park**
- 10. Buckhorn Island State Park**
- 11. North Grand Island Truss Arch Bridge**, 1935
- 12. Niagara Falls International Airport**, 1928
- 13. Fashion Outlets of Niagara Falls USA Outlet Mall**, 1982
- 14. Town of Wheatfield**, 1836
- 15. Lewiston-Queenston Arch Bridge**, 1962
- 16. Town of Lewiston**, 1819

Elevation (Meters above sea level) scale: 87, 111, 135, 158, 182, 206. Distance scale: 500M, 1000M, 2000Ft, 4000Ft.
